BUSINESS TERMS

PACKING.—All our stock is properly packed, for which no charge is made. All evergreens are balled and burlapped.

PRICES.—All prices are f. o. b. Elliston, Va., unless otherwise stated or agreed; 6 plants at dozen rate; 50 at hundred rate; 500 at thousand rate. Ask for prices on larger quantities than quoted.

TERMS.—Cash unless otherwise agreed.

RESPONSIBILITY.—We use great care to have all stock true to label, and will replace on proper proof all that proves untrue. In case of error on our part it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

LANDSCAPE SERVICE.—On request without cost or obligation to you, we will gladly have our landscape man call personally, and advise, suggest, and make plans for properly beautifying your grounds. Our aim is not to sell you the most plant material possible, but to give you the most for the money you spend by using plants especially suited to the architecture, type of soil, exposure, and general needs of your particular home.

We have at our nursery over 900 specimen plants of dwarf and tree box and many more situated at old homes in Virginia. The rich green color and dense foliage of our stock is due to our soil and climate. Our men are thoroughly experienced and dig with large, solid balls, which are securely burlapped and wired to platforms.

Write for complete list, photos, prices and names of carlot customers in your locality for reference as to quality of our stock, our method of packing and accuracy of our descriptions.
